YOUR THOUGHTS

Please answer the essay question below, limiting your answer to a paragraph or two. You can either use the space provided below, or you can submit your response on a separate sheet of paper. Any materials you send to us should include your full name and address.

- How do you think IIT will prepare you to be a positive contributor to the world? This is your opportunity to share your goals and how you see IIT helping you achieve them.

Please remove along perforation

AN INVITATION TO TELL US MORE *(optional)*

We learn wonderful and intriguing details about the lives of our students throughout the admission process. Here is another chance to share with us or show us something that is important to you and of which you are really proud. Maybe it is something you have created or built, or a unique skill set you have developed. Whether it is a drawing or a computer program, we would like to see it. Maybe you have a research paper or a writing sample that demonstrates what you are passionate about. Photos, videos, essays, websites ... any format is acceptable. We encourage you to express yourself freely. Please do not feel restricted in any way!

If applicable, paste in the space below. You may also submit materials to our office via mail.

Office of Admission
Illinois Institute of Technology

Perlstein 101
10 West 33rd Street
Chicago, IL 60616-3793
U.S.A.

We are unable to return artwork or supplemental materials, so we suggest that you not send originals. Please include a short written description of any additional materials you may send to us.

“This really is an opportunity to show us something special about yourself. Even though this is the end of the application, IIT is still every bit as interested in hearing your voice.”

—Josh Tate
Chemical Engineering `10
Arkansas School for Math, Science, and Arts
