Though our intention is to keep answers to the above questions relatively short, you may use the additional information section to continue your answers.

There are additional Arts Supplement and Athletic Supplement information forms available through the Common Application Web site. These are optional. Filling them out will provide us more information about you.

If applying for Early Decision, you need to print, complete, and mail the Early Decision Agreement. Your file will remain incomplete without it.  
NOTE: If you apply under Early Decision and are offered admission, you agree to withdraw all other applications and understand that Carleton is your first-choice college. You cannot apply to any other college under an Early Decision plan.

Please remember that your signature on the Common Application certifies that all information submitted in the admission process—including the application, the personal essay, any supplements, and any supporting materials—is your own work, factually true, and honestly presented. You also acknowledge that you understand that you may be subject to disciplinary action, including admission revocation or expulsion, should the information you have certified be false.
