## Chicago Scholars Foundation 14th Annual Swing For Scholars Golf Tournament

Monday, August 13, 2012  
Naperville Country Club

### Picture from last year's tournament

The Chicago Scholars Foundation provides Chicago's young leaders with the support they need to achieve their dreams: mentorship, college admissions support, and access to summer internships and career programming. We reach out to students from recently emigrated families and under-resourced communities and nurture their talent through an innovative five-year program lasting from the senior year of high school through the senior year of college. Our academically ambitious Scholars are not only investing in their own career growth and success but also ensuring that Chicago remains competitive in the global economy for years to come.

Scholars begin the program the summer before their senior year of high school and continue until they graduate from college. Since its inception over a decade ago, Chicago Scholars has helped more than 2,500 students earn college degrees, reflecting a 95% graduation rate among participants.

Chicago Scholars serves the community by nurturing future leaders whose professional contributions will make Chicago a better place to live, work, and raise a family.

Chicago Scholars Foundation is a 501 (c) (3) charitable organization. Federal Tax Law requires that we disclose your contribution is tax-deductible to the full extent of the law minus the value of goods and services received.
