

Do you have an hour to be a Career Mentor?

Submit your information and become part of our **Career Consultant Mentor Roster!** We are looking for professionals who are willing to serve as career mentors for our juniors and seniors in college!

It is easy to participate! Simply follow these steps:

1. Fill out the **Career Consultant Mentor Application**, so that we have your contact information, hours of availability, and preferred contact method on file.
2. Chicago Scholars will notify you about a Scholar who wants to reach out.
3. Converse with a Scholar over coffee or lunch.
4. Build rapport & repeat as necessary!

Chicago Scholars will facilitate the initial contact. It will be up to our Scholars to learn how to reach out to you, *ask for your guidance*, and continue to build this professional relationship.

For more information, please contact Alex Gagnon, Career Programs Associate, at agagnon@chicagoscholars.org or 312-784-3306.
